New

Lodge | Torrinha apartments are located in the heart of Funchal, in the Santa Luzia area, and bring modernity, convenience, and sophistication to the charming capital of Madeira Island.

The residential development features one-, two- and three-bedroom apartments designed for those seeking a quality and practical day-to-day life close to what matters in a growing urban area.

All units are spread across two separate buildings and feature en-suite bedrooms, fully equipped kitchens, balconies with planters, and one parking spaces, per room. The parking spaces also include charging points for electric vehicles.

Each building's rooftop offers an exclusive space with a pool and solarium, perfect for relaxing while enjoying stunning views of the city and the sea. Green areas and outdoor spaces enhance comfort levels. Solar panels and heat pumps help reduce energy consumption and make the development more environmentally friendly.

Lodge | Torrinha is the first project by Lodge, AFA Real Estate's premium brand, known for its quality construction combined with a commitment to innovation and sustainability.
