AFA REAL ESTATE

Tipology:

A 72,790 m² property located in Arneiros, close to the Azambuja industrial area, in a well-established business location with excellent accessibility. Offering development potential and capacity for approximately 18,000 m² of construction, the land is well suited to business, industrial or logistics activities. An attractive investment proposition in a strategic location, within an expanding business area and offering strong conditions for the development of new projects.

Take advantage of this opportunity and contact us for further information.
