Savoy Residence | Insular is the new project that is being born in the heart of Funchal, a town facing the sea, in a unique in the world natural amphitheatre. This is a reconstruction project that will reveal a city's new facet.

12 commercial areas, representing a total area of 1840 m<sup>2</sup>, distributed throughout two distinct zones: 7 stores at the Largo do Pelourinho level, with areas ranging from 85m<sup>2</sup> to 213m<sup>2</sup> and 5 stores at the Rua do Anadia level (one of the city's main arteries), with areas varying between 123m<sup>2</sup> and 188m<sup>2</sup>. All prepared for restaurants, commerce or services, in a unique and privileged location, very well endowed with public transportation and parking, excellent exposure and visibility, framed in a new luxury development that aims to create a new concept of living (in) the city and a new centrality in Funchal.
